

HOTEL PLAYA GOLF MALLORCA

Hotel Playa Golf Mallorca (****) has decided to bet on a new experience for its customers and become immersed in the world of wellness, advised by the know-how of Freixanet Saunasport.

Hotel Playa Golf Mallorca is located in one of the best areas of the island, in Palma Beach, 13 kilometres from the capital, in a complete leisure and lively area. At the moment, the hotel has got a wide sports and utility offer, consisting of spa area, restaurants, events and meetings, boutiques, etc.

Freixanet Saunasport has brought some of the most innovating and attractive products and equipment to the spa area, integrated with the strategy of the wellness area and shaping a complete and exclusive space for relaxation and well-being. They include: hemlock professional Freixanet saunas with SUBLIMA heaters (under benches); WELLPRO® steam baths, with starred sky for better relaxation; WELLPRO® warmed-deck chairs and a complete temple of showers with a wide variety of options, such as bucket, corporal, rain and waterfall showers; in short, a great number of possibilities and combinations so that, under proper advice, the host or hostess of Hotel Playa Golf Mallorca can choose the kind of shower that best adjusts to his or her needs or preferences.

Thus the visitor is going to delight in this new experience for body and soul, besides enjoying all the advantages of wellness facilities in a warm, minimalist, elegantly designed atmosphere, so that his or her stay there results unforgettable.

At the moment, Freixanet Saunasport offers complete service, which ranges from the initial project to complete installation. Besides, the firm continues marketing its projects and equipment individually, in order to offer its customers all kind of options and possibilities. The quality of its work and its experience in the wellness area is its letter of introduction.
