

FREIXANET  
WELLNESS  
SAT  
STANDARD

## 01. INTRO

Probably you sometimes wondered how convenient is incurring the cost of an annual maintenance instalment for your facilities. In Freixanet we have created SAT STANDARD in response to this issue. Thanks to this service level, your centre will always count on an efficient solution for the critical items of its working order. Moreover, this service presents a really affordable annual instalment.

## 02. STANDARD SERVICES

### ASSISTANCE GUARANTEE

With SAT STANDARD, you can always rely on our technical experts being at your facilities to solve any incidence in its wellness equipments.

### PREVENTIVE ANNUAL VISIT

An Spanish proverb states as follows: "better safe than sorry". In Freixanet Saunasport, we apply it to wellness, given that we consider that a centre must be checked once per year at least.

Experience demonstrate day after day that the most expensive repairs are consequence of a lack of a continuous maintenance.

### TRIP AND LABOR COSTS INCLUDED

We assume the costs of all trips to your centre, as well as the necessary labor to assure that the equipments are in perfect conditions.

### MATERIALS COVER UP TO 600 EUROS

With SAT STANDARD, you are not only reducing the risk of incidents on your equipments, but also you assure a coverage of the first 600 euros in terms of materials and replacements.

## 03. OFFER

**STANDARD BUDGET** Ask us for a budget without obligation. We are going to define a proposal that fits your facilities requirements. We want you to get the maximum profitability from our Technical Service.
